- 1.2. The Conditions form integral and essential part of each sale agreement (hereinafter the “**Agreement**”) concerning the supply of products manufactured and/or distributed by the Seller (hereinafter collectively “**Products**” and individually “**Product**”). All technical and/or production details and specifications – as available on the website www.meccalte.com and/or on the Seller’s order confirmation(s) – concerning the Products form integral and essential part of each Agreement. The Conditions will be applicable to all supplies of standard Products, as well as to all Products manufactured according to designs or specific instructions or requests received by the Buyer.
